

MEMBER OF THE SUPERVISORY BOARD

Wolfgang M. HICKEL

Wolfgang M. Hickel (born 1949 in Vienna) graduated from the University of Vienna with an MSc degree in 1975.

He began his career in the same year at the HTBLVA's Textile Industry and Data Processing departments in Vienna, and has served as the school's director since 1997. With 1,700 pupils and 200 teachers, the HTBLVA is Austria's leading establishment for IT training. Its four departments are as follows:

- Advanced course in data processing and organisation
- Day school and lecture programme
- Advanced course in computer science (night school for working people)
- Advanced course in plant management
- Advanced course in art and design

Mr. Hickel was for many years a member of the disciplinary commission of the Federal Ministry for Education, Science and Culture and also served on the central committee for vocational teachers. He chaired the departmental committee for 16 years and was a member of the Federation of Austrian Industry's working group for IT training. He also represented the Federation at the Alpbach Forum's conference on lifelong learning.
